When I first saw you,
I didn't think twice,
And, then it hit me,
Baby we are meant to be,
And now I'm stuck,
Stuck on you...

Chorus (below) *

Like glue,
I'm stuck on you,
And I just can't get you out of my head,
I'm stuck on you,
You know it's true,
That baby you're the one I need,
So somebody help me,
Cuz I'm goin crazy,
And I'm stuck to you,
Like glue!

And that's how I knew,
No longer would I have to live without you,
And baby baby,
Because of you,
I'm goin crazy,
And I'm stuck,
Stuck on you...

Chorus*

Just when I thought it was thee end,
I met you,
Now you have my heart,
And I will love you forever,
Even if were miles apart,
Land or sea nothing will break us,
(Break us)
Cuz I'm stuck to you,
Like glue!

Chorus*

Oh baby baby,
Like glue,
Like glue,
I'm stuck on you!
