I really cant remember why
why i loved you
i really cant remember when
when i gave a care

Everytime i think of you
you keep on fading
and everytime i hear your name
i feel nothing deep inside

I know that your callin
i know that your tryin to change my mind

Anyway that i sing it
it is still the same
your a G out of key
and one note remains

In the key of C
i dont give an F about you

Anyway that i sing it
it is still the same
your a G out of key
and one note remains

In the key of C
i dont give an F about you

I really cant remember why
why i need it
i really cant remember how
how you layed me down

Now you seem to come around
uninvited
but you dont seem to understand
or even hear my words

I could sing acapela
or do re mi fa

with an orchestra
you won't change my tune

Anyway that I sing it
it is still the same
you're a G out of key
and one note remains

In the key of C
I don't give an F about you

Anyway that I sing it
it is still the same
you're a G out of key
and one note remains

In the key of C
I don't give an F about you

oh (oh) I know (know)
let go (let go, let go)
sitting in the key of C

oh (oh) I know that you're missing me
let go (let go, let go)
(sitting in the key of C)

I could sing a capella
or do re mi fa
with an orchestra
you won't change my tune

Anyway that I sing it
it is still the same
you're a G out of key
and one note remains

In the key of C
I don't give an F about you

Anyway that I sing it
it is still the same
you're a G out of key
and one note remains

In the key of C
I don't give an F about you

And you keep on trying to call me
and I see that you are lonely
in the key of C (key of C)

i dont give an F about you

After all the lies and games
heres my note and my note remains
in the key of C
i dont give an F about you
