Cory:

So many nights your arms held me (So tight...)
In a world of two we created, my love never faded.
Now at night I just stay at home, I'm here (All alone...)
So please, ohh please say your missin' me.

Friends say move on, it's been so long.
But I am so confused, cause I'm still in love with you.

You are my heart, you have my love.
And I'll never love any other.
Stayin' always on my mind,
I try hard to find, to let go.
You are my heart, you have my love forever, always.
Cause I don't know what to do.
I'll Never Get Over You.

Doron:

So many nights I spent reminsing (Over you...)
Some day will we be together? Cause I can wait forever
How do I reach for something? A love. (that's so,so
lost)
So please, oh please (Baby, please)
Come back, come home to me.

Cory and Doron:

Friends say move on, it's been so long.
But I am so confused, cause I'm still in love with you.

You are my heart, you have my love.
And I've never known any other.
Stayin' always on my mind,
I'm trying hard to find, to let go.
You are my heart, you have my love forever, for
always.
Cause I don't know what to do. (Don't what do baby)
I'll Never Get Over You. (Never get over you)

I am a fool, how can this be?
You belong to me

You are my heart, you have my love.
And I've never known any other.
Stayin' always on my mind,
Trying hard to find, to let go.
You are my heart, you have my love forever, for
always.
Cause I don't know what to do. (Don't what do baby)
I'll Never Get, I'll Never Get Over You.
