Do you miss me, i miss, will you kiss me (x4)

When i close my eyes
i think of all the ways that we could meet
daze of you and me
shinnin on a love we made so sweet

You ever, I ever
see a way that we could fall apart
do you see, i see
forever never had a sin or heart

Somehow someday
when half my heart can be whole again
somehow someday
things are gonna change, yea there gonna change

I know that one day
everything will be ok
and when the time is right
somehow someday

You think of me
think of all the fadin memories
do you know me still
you said that you would love me endlessly (o
endlessly)

Do you ever, i ever
think there was a way to make it threw (cause i miss
you)
do you feel, i feel
time could only bring me back to you

Somehow someday
when half my heart can be whole again (whole again)
somehow someday
things are gonna change, yea there gonna change
(ganna change)

I know that one day (i know)

everything will be ok
and when the time is right
somehow someday

Do you miss me, i miss, will you kiss me (do you miss
me)
do you miss me, i miss, will you kiss me (cause i miss
you)
do you miss me, i miss, will you kiss me (do you miss
me)
do you miss me, i miss, will you kiss me (cause i miss
you)

Somehow someday
when half my heart can be whole again (whole again)
somehow someday
things are gonna change, yea there gonna change
(yeah)

I know that one day (one day)
everything will be ok
and when the time is right (ohh)
somehow someday
