I've got a fast car, I've got a big house
But my friends won't return my calls
I've got a good wife, and I've got a girlfriend
But now I'm staring at these hotel walls
Mmmm mmm mmmm

I'm good at driving and mathematics
Got my money making money all day
I cheat the tax man, and my girlfriend
I tell ya brother cheatin' just don't pay
Mmmm mmm mmm mmmm

I was a good kid, with good intentions
Did everything that they said I should
The road to hell knows me well
Now I'm finding it ain't no damn good
Mmmm mmm mmmm mmmm

She sold my fast car and took my big house
Married my best friend, man she got it all
As for my girlfriend well she up and left me
Safe and sound behind these hotel walls
Mmmmm mmm mmm mmmm

I was a good kid, with good intentions
Did everything that they said I should
The road to hell knows me well
Now I'm finding it ain't no damn good
LaaaaaaAAAAAAA laaaaa laaa laaa laaaa

I'm drinking cold beer with pretty women
Seems I've got a better lease on life
Woke up this morning lying next toooooo,
the youngest sister of my ex wife
Mmmmmm mmmmm mmm mmm mmmm
