"I'D Have To Be Crazy"

I'd have to be crazy to stop all my singin'
And never play my music again.
You'd call me a fool if I grabbed up a top hat
And ran out to flag down the wind

I'd have to be weird to grow me a beard
Just to see what the rednecks would do
But I'd have to be crazy; plumb out of my mind
To fall out of love with you

I know I've done weird things;
I told people I heared things
When silence was all in the bounds
There's been days when it pleased me
To be on my knees
Following ants as they crawled 'cross the ground

Been insane on a train, but I'm still me again
And the place where I hold you is true
So I know I'm all right, 'cause I'd have to be crazy
To fall out of love with you.

You know I don't intend to, but should there come a day
When I say that I don't love you, you can lock me away
Hey, hey-ey-ey-ey

I sure would be dingy, to live in an envelope
Waiting alone for a stamp
You'd swear I was loco to rub for a genie
While burning my hand on the lamp
And I may not be normal, but nobody is
So I'd like to say 'fore I'm through
I'd have to be crazy, plumb out of my mind
To fall out of love with you

I'd have to be crazy, plumb out of my mind
To fall out of love with you
