I'm gonna live forever
I'm gonna cross that river
I'm gonna catch tomorrow now
You're gonna wanna hold me
Just like I always told you
You're gonna miss me when I'm gone
Nobody here will ever find me
But I always be around
Just like the songs I leave behind me
I'm gonna live forever now
I'm gonna live forever
I'm gonna cross that river
I'm gonna catch tomorrow now
You fathers and you mothers
Be good to one another
Please try to raise your children right
Don't let the darkness take 'em
Don't make 'em feel forsaken
Just lead them safely to the light
When this old world has blown us thunder
And all the stars from fall this sky
Remember someone really loves you
We'll live forever you and I
I'm gonna live forever
I'm gonna cross that river
I'm gonna catch tomorrow now (3x)
