I remember days nights were we're never cold  
Had you in my life, I had you here to hold  
And I remember love warm as a summer day  
But I lost you and I lost my way  
Now I'm in the rain, begging you please, please

[Chorus:]

Baby, won't you show me the way back to your heart  
Let me see a sign to know if I'm closer or far  
Lead me back to the road  
That leads back to your arms  
Back to your arms

Every night another lonely street  
I walk down alone  
Searching for a light  
Your light to lead me home  
Leave a candle in the window  
And let it shine for me  
Take my hand and take these tears away  
I can't take the pain, I'm on my knees, please

Baby, won't you show me the way back to your heart  
Let me see a sign to know if I'm closer or far  
Lead me back to the road  
That leads back to your arms  
To your arms

Take my hand and take me in your arms  
I'm out in the dark, down on my knees, begging you  
please

[Chorus]
