Well, here we go again
Another sleepless night
I don't think I have the strength
To take another fight
Well, what's the point in trying
We can't seem to get it right
I see black as black and baby
You see black as white
You've gone too far this time
Pushed our love to the limit
But still I can't imagine
Living life without you in it
Oh my, my, an injustice has been done
It's a shame, it's more than a crime
You've gone too far this time
Just like a rerun movie
I've seen this show before
I reach out, you pull away
Get up and slam the door
Like some prima donna actor
Out in old time Hollywood
Frankly dear, I don't give a
Anymore, but I wish I could
You've gone too far this time
Pushed our love to the limit
But still I can't imagine
Living life without you in it
Oh my, my, an injustice has been done
It's a shame, its more than a crime
You've gone too far this time
Like some prima donna actor
Out in old time Hollywood
Frankly dear, I don't give a
Anymore, but I with I could
You've gone too far this time
Pushed our love to the limit
But still I can't imagine
Living life without you in it
Oh my, my, an injustice has been done
It's a shame, its more than a crime
You've gone too far this time

You've gone too far this time
