[not clear enough ? Well... we love the US !]

Get a gun - shoot at random
Get a gun - Kill them all
Get a gun - motherfucker
Get a gun - shoot them down

They're all pigs
They deserve to die
We fuck life and we fuck God

Arm your hand
No more words
No more
Follow the Warslut

I wanna see ya dead
I wanna see ya slaughtered
I wanna see ya tortured to death
Fucking kill yourself !

So don't fear me honey
I just want to shoot ya down
Wanna taste now baby
How fucked-up I am ?
Wanna suck my gun
Right here in your face ?
It' a new beginning from now
Shoot down everyone u know

Kill yourself
Fucking kill yourself now !

No more words and no more lies
Let's make the streets turn red
Shoot at random
And shoot down everyone ya know
Time for modern slaughters
Time to shoot these pigs down
Shoot everyone dead
Shoot everyone dead

Get a gun - shoot at random
Get a gun - Kill them all
Get a gun - motherfucker
Get a gun - shoot them down

Get a gun - shoot at random
Get a gun - kill yourself
Get a gun - shoot at random
Get a gun - kill yourself
