[Politically correct & mandatory happiness for all]

Political Police
Atheistic dictator
Political Police
Humanist whores control the world

Shadow power, tyrannic laws
The earth is your kingdom of lies
And I know you are scared of us
I know you'll forever fear us
Forever adversary of your fucked-up naive world
Political Police
Dictatorship of the weaks

Political Police, watch your back
The final war is to begin
We're the priests of nothingness,

We are the prophets of doom

We'll shatter your dreams,
Destroy your hopes
You are no one

Counter-revolution
Counter-culture
Counter-attack
Counter-offensive
Universal subversion

Counter-revolution
Counter-revolution
Counter-attack

Political Police, this is the end of your reign
Enter the Count, be afraid, beware
Political Police, this is the end of your dream
Be afraid, enter the Lizzard king
