It's times like this that make it hard to breathe
So anxious, so irresistible, it's what we need

Blood, sweat, tears
Only the strong survive

Blood, sweat, tears
Only the strong survive

I'll cry for these boys
I'll die for these boys
Right through thick and thin
We will remain strong
Defeat hurts bad, all but us
All but us
All but us
All but us
All but us

It's hard to be but so good we try
Yeah one day you'll see us on the world of fame
The best of friends and the best of brothers
We die to survive
Yeah you can try but you won't succeed
You can't be, be me

Blood, sweat, tears
Only the strong survive

Blood, sweat, tears
Only the strong survive

I'll cry for these boys
I'll die for these boys
Right through thick and thin
We will remain strong
Defeat hurts bad, all but us
All but us
All but us
All but us
All but us

We won't run
We won't run
We won't run
We won't run
We won't run
We won't run
We won't run
We won't run
We won't run
We won't run
We won't run
We won't run
We won't run
