Let's give it one shot
We'll give it all we got
To get to where we know we're on top
When you close your eyes now girl
I want you to dream of me forever
Forever in my life, you'll always be
So close to me
(So close to me)
Right by my side
Oh my god girl it's you and I

Whoa!
Whooaa!
Whoa-oo-oo!
Whoa-oo!

Hey there pretty girl
Won't you be my baby, my baby tonight
When I kiss your lips
(Muah, ahhh!)
I want you to taste of me, well taste of me
Your sweet lips
(Ooo!)
Rub against mine
Uh oh whoa girl!
You're damn fine.

She's number one
Well she's my, my number one girl

Wait for me and I'll wait for you
Wait for me and I'll wait for you
Wait for me and I'll wait for you
Wait, wait, wait, wait, wait!
