Inconsistent they all had said
A bad guy, and lousy in bed
These cute girls
I know, I know
Watch me 'cause I'm about to blow

I know
I know

She goes, she goes

Sweet and petite
I'm here to please
All alone
Brought to my knees
Sweet and petite
I'm here to please
All alone
You thought you had me

I couldn't tell you the lowest I've been
I'm a plague
Among my own cities
That I built with my own hands
That I built for you

I know
I know

She goes, she goes

Sweet and petite
I'm here to please
All alone
Brought to my knees
Sweet and petite
I'm here to please
All alone
You thought you had me

You look so good tonight
I see that look in your eyes

I'll never know
If I could paint a picture
With the stars
I would have to borrow from galaxies beyond
Just to form the eye
Of the girl who stole my heart

She changed me for the better
She changed me for the better

Sweet and petite
I'm here to please
All alone
