(words & music by Wayne Thompson - Mark James -  
Johnny Christopher)  
Made popular by Willie Nelson and Elvis Presley.

Maybe I didn't love you  
Quite as often as I could have  
Maybe I didn't treat you  
Quite as good as I should have  
And if I made you feel second best  
Girl i'm sorry I was blind  
You were always on my mind,  
You were always on my mind,  
And mabe I didnt hold you,  
All those lonely lonely times,  
And I guess I never showed you,  
I'm so happy that you're mine,  
Little things I should have said and done  
I just never took the time  
But you were always on my mind  
You were always on my mind  
Tell me, oh tell me that your sweet love hasn't died

Give, give me, give me one more chance  
To keep you satisfied, keep you satisfied

Little things I should have said and done,  
But I just never took the time,  
You were always on my mind..oh  
You were always on my mind..oh  
Little things I should have said and done  
But I just never took the time  
But you were always on my mind,  
You were always on my mind..oh  
You were always on my mind..yeah  
You were, always on my mind
