Hey  
3, 4

If I could make it rain today  
And wash away this sunny day down to the gutter  
I would just to get a change of pace  
Things are getting worse, but I feel a lot better  
And that's all that really matters to me

Well, Amy hit the atmosphere  
Caught herself a rocket ride out of this gutter  
And she's never coming back I fear  
Anytime it rains she just feels a lot better  
And that's all that really matters to me

We've waited so long  
For someone to take us back home  
It just takes so long  
And meanwhile all the days go drifting away  
And some of us sink like a stone  
Waiting for mothers to come

There has to be a change I'm sure  
Today was just a day fading into another  
And that can't be what a life is for  
And anything she said well she feels a lot better  
And that's all that really matters to me

We've waited so long  
For someone to take us back home  
It just takes so long  
But meanwhile all the days go drifting away  
And some of us sink like a stone  
Waiting for mothers to come

I wanna know, I wanna know  
I wanna know, I wanna know  
I wanna know, I wanna know  
I wanna know, I wanna know

And all I really know is I wanna know  
And all I really know is I don't wanna know

And all I really know is I wanna know  
And all I really know is I don't wanna know

And all I really know is I wanna know  
And all I really know is I don't wanna know  
And all I really know is I wanna know  
And all I really know is I don't wanna know

And all I really know is I wanna know  
And all I really know is I don't wanna know  
And all I really know is I wanna know  
And all I really know is I don't wanna know
