Fading everything to black and blue  
You look a lot like you  
Shatter in the blink of an eye  
You keep sailing right on through  
Every time you say you're learning  
You just look a lot like me  
Pale under the blistering sky  
White and red  
Black and blue  
You've been waiting a long time  
You've been waiting a long time  
To fall down on your knees  
Cut your hands  
Cut yourself until you bleed  
Fall asleep next to me  
Wait for everyone to go away  
And in a dimly lit  
room where you've got nothing to hide

Say your goodbyes  
Tell yourself we'll read  
a note that says  
I'm sorry everyone  
I'm tired of feeling nothing goodbye  
Wash your face  
Dry your eyes  
Cause you've been waiting a long time  
You've been waiting a long long time  
To fall down on your knees  
Cut your hands  
Cut yourself until you bleed  
But fall asleep next to me  
Have a dream I'm falling down  
On my face  
Scrape my knees  
Scrape my hands until they bleed  
Cause you're fast asleep next to me  
Next to me [3X]
