There's something in the way you love me, won't let me
be,
I don't want to be your prisoner so baby won't you set
me free,
Stop playing with my heart finish what you start,
When you make my love come down,
If you want me let me know, baby let it show,
Honey don't you fool around,
Just try to understand, I've given all I can,
But you got the best of me.

Borderline, feels like I'm going to lose my mind,
You just keep on pushing my love over the borderline,
Borderline, feels like I'm going to lose my mind,
You just keep on pushing my love over the borderline.

Something in your eyes is makin' such a fool of me,
When you hold me in your arms but I just can't see,
But then you let me down, when I look around,
Baby you just can't be found,
Stop driving me away, I just wanna stay,
And there's something I just got to say,
Just try to understand, I've given it all I can,
But you got the best of me.

Borderline, feels like I'm going to lose my mind,
You just keep on pushing my love over the borderline,
Borderline, feels like I'm going to lose my mind,
You just keep on pushing my love over the borderline.

Look what your love has done to me, come on baby just
set me free,
And just keep on pushing my love over the borderline,
You keep on pushing me baby, oh you know your
driving me crazy,
You just keep on pushing my love over the borderline,
You 'cause me so much pain, I think I'm going down
insane,
You just keep on pushing my love over the borderline.

You just keep on pushing my love over the borderline,

Oh you just keep on pushing my love over the
borderline,
You just keep on pushing my love over the borderline.
