Maryann, you're better than the world  
They took a lot of time getting it right on this girl  
I said "Maryann, you're better than the world"  
They did a lot of things right on this girl

Had a lot of girlfriends  
I should have known them  
Click your heels and count back from three  
Do you wanna go back?  
You should have known that  
The butterfly in reverse here is me

But Maryann, you're better than the world  
They took a lot of time getting it right on this girl  
I said "Maryann, you're better than the world"  
They did a lot of things right on this girl

Where'd you wanna go to  
With nothin' beside you?  
But webbin' and curfews and rain  
And everythin' that hurts you  
Is locked up inside you  
Like butterflies with wings  
And other perfect things

We go swimmin' in the sunshine  
Danglin' from clotheslines  
Separate and fall into me  
But did you ever seen me  
Me absolutely  
Me, but all you but still me

Oh Maryann, you're better than the world  
They took a lot of time getting it right on this girl  
I said "Maryann, you're better than the world"  
They did a lot of things right on this  
Did a lot of things right on this  
Did a lot of things right on this girl
