All I want is something good  
It gets harder every time  
She is leaving here tonight  
Take a breath  
Take your time  
Spread your wings and rise

Make a mark upon the wall  
Paint your face and pass the time  
Close your eyes and she ascends  
Hold your breath  
Ease your mind  
Forty thousand times

Time fade into the night  
They descend and then they climb  
Feathers falling through the night  
Have you seen Ohio rise  
It has been four days and nights

All I want is something fine  
It gets harder every time  
She is sleeping far away  
Take a breath  
Take your time  
Spread your wings and rise

Rise through the black Ohio sky  
They descend and then they climb  
Feathers falling through the night  
Have you seen Ohio rise  
It has been four days and nights
