She sat right down on the sofa  
And said, "Where have you been, I've been waiting for  
you"

'Cause last night I had something so good  
These days get so long and I got nothin' to do

I've been hanging around this town on a corner  
I've been bummin' around this old town so long  
I've been hanging around this town on a corner  
I've been bummin' around this old town for way too  
long

We spent all day gettin' sober  
Just hiding from daylight, watching TV, fading away  
We just look a lot better in the blue light  
Well you know I gotta get out but I'm stuck so tight  
Weighed by the chains that keep me

Hanging around this town on a corner  
I've been bummin' around this old town too long  
I've been hanging around this town on a corner  
I've been bummin' around this old town for way too  
long  
Well everybody trip

You know man, I'm just, I'm just  
I'm just tryin' to scurry up a little

This girl listens to the band play she says, "Where have  
you been?"

I been lyin' right here on the floor, right here on the  
floor"

Well I got all this time to be waiting for what is mine to  
be hated

What I am after the light has faded

Hangin' around this town on a corner  
I've been bummin' around this old town so long  
I've been hanging around this town on a corner  
I've been bummin' around this old town for way too,  
way

I've been hanging around this town on a corner  
I've been bummin' around this old town for way too  
long  
I've been hanging around this town on a corner  
I've been bummin' around this old town for way  
Way, way, way, way too long

Way, way, way, way too long  
Way, way, way, way too long  
Way, way, way, way too long  
Way, way, way, way too long  
Way, way, way, way too long  
Way, way, way, way too long
