When you disappear on me it's just like  
parades in the rain  
Every time i see you you just disappear again  
Every time you're leaving i don't know what to say  
I wanna see this whole town go away

So could you tell me why you're leaving  
cause I don't know why it has to be so  
could you tell me why you're leaving  
cause I don't know I don't know I don't know

All these ending love songs

come into my eyes  
but every time i see you  
I'm alive, I'm alive

so could you tell me why you're leaving?  
cause I don't know why it has to be so  
could you tell me why you're leaving  
cause I don't know I don't know I don't know
