

Counting Crows "I'm Not Sleeping"

Visit "[I'm Not Sleeping](#)" on MotoLyrics.com

She comes to me at night when I'm sleeping
She comes to me when I'm alone
She comes to me, she holds my hand when I'm crying
She comes to me, she shuts my eyes
She brings me home

But I'm not sleeping anymore, anymore
No, I'm not sleeping anymore, anymore

She tells me when you look at me, she tells me when
you're lying
She tells me when you talk about me and she lays me
on the floor
She tells me when you're whispering, she lies beside
me naked
She tells me when you laugh at me and she locks all
the doors

But I'm not sleeping anymore, anymore
No, I'm not sleeping anymore, oh, anymore

1 2 3 4 5 6 7 a.m.
All alone again
But I've been through all this shit before

Spend my nights in self defense
Cry about my innocence
But I ain't all that innocent anymore, more, more, more

I see her on the TV, I see her in the movies
I see her in these animals that dance beside my bed
I'll follow you down baby, down into this valley
Yeah, I'll follow you down baby, but I won't come up
again

But I'm not sleeping anymore, anymore
No, I'm not sleeping anymore, anymore

No, I'm not sleeping, I'm not sleeping
I'm not sleeping, no no no no no no no no

I'm not sleeping, I'm not sleeping

Anymore, anymore, anymore, anymore

I said, "Rain, rain go away, come again some other
day"

'Cause I got all this shit to say but I've gone back to find
my way

My sister's mother's favorite son lost among the
chosen ones

But I've got news for everyone 'cause I've gone out that
door
