Jumpin' Jesus my oh my,
He's got a great big bottle of sunshine,
Jumpin' Jesus why oh why,
Take the time to get inside, to get inside.

So what's a wall, with so much yellow for?
I don't know what it's for,
What's a wall has so much yellow for?
I don't know what it's for.

Jumpin' Jesus my oh my,
He's got a great big bottle of sunshine,
Jumpin' Jesus why oh why,
Take the time to get inside, oh get inside,
Get inside, get inside, get inside, get inside.

Well Armand Hammer in Odessa,
Lives with his wife and his child on a house boat,
Yeah he likes sunflowers,
And big picture frames and Van Goghs.

Jumpin' Jesus my oh my,
He's got a great big bottle of sunshine,
Jumpin' Jesus why oh why,
Take the time to get inside, oh get inside,
Get inside, get inside, get inside, get inside,
Get inside, get inside, get inside, get inside.
