I feel like jumping through the keyhole in your door,
I feel like jumping through the keyhole in your door,
If you jump this one time, baby,
You won't jump no more.

Well I feel like fallin' from a treetop to the ground,
I feel like fallin' from a treetop to the ground,
My rider she got a mean joker,
And he don't allow me around, no.

I go there early in the mornin'
And I go there late at night,
I go there early in the mornin'
And I go there late at night,
I don't care how late I go there, oh,
He never never turns out the light.

Listen, you know,
I believe he's alookin' for me,
He's up all hours of the night,
Hey! I believe he's lookin' for me,
He's up all hours of the night,
She used to be my rider, oh,
And he ain't treatin' her right,
Uh and I said you know she used to be my rider,
And he ain't treatin' her right.

I met this joker one mornin'
And he was out on the edge of town,
I met this joker one mornin'
And he was out on the edge of town,
I had to beg and plead,
Just to keep him, from blowin' me down,
Oh, I got the mean jumper blues, oh,
Got the mean jumper blues,
Oh, got them mean jumper blues.

I feel like jumpin' through the keyhole in your door,
I feel like jumpin' through the keyhole in your door,
If you jump this one time, baby, yeah,
You won't jump no more,

I said, I said if you ju-ju-just jump this one time, baby,
yeah,
You won't jump no more,
Hey, hey yeah! I swear if you just jump this one time,
baby,
Please, please just jump this one time baby, yeah!
Please, please just jump this one time baby, yeah!
You won't jump no more.

I got the mean jumper blues,
I said I got the mean jumper blues, yeah,
Got them mean jumpers blues
