She made herself out of the blue,  
Something she never used to do  
She found herself involved with a crack in the wall of  
her bedroom

When her pocketwatch stopped she thought she'd turn  
the hands backwards  
Visualize the speed of a light  
and slip back into a vacuum

She lives alone on a private archipelago  
With a palm tree and a seashell  
Plays in the waves all day; she's scared of dying,  
And she wants to keep it that way

She puts a boat out on the sea  
With a little note for me  
It says why the girls are so hungry

She says I am everything  
She says that I am everything  
She says that I am everything and she's nothing  
She's nothing  
She is nothing

Oh, oh, oh, please come home she says  
I wanna be with you  
Oh, oh I dont want to be alone  
I said I want to be with you now  
I, I am everything, you are nothing  
I, I am everything, you are nothing

Oh baby, please come home, I don't want to be alone  
I want to be with you now  
I am everything, you are nothing.. nothing.
