Put the bottle down, finally got somethin' to say
Take another look around and find someone else to
play
Needless to say .. That you've got problems
There's no f#kin' way .. that I'm gonna solve them
It's never the same .. every time you slip, then you fall
down, down, down

Ever wonder what I been thinkin' about?
I been thinkin' bout throwin' you out

Chorus

I'm so happy about you .. I'm fed up, so get up and get
out
I'm so happy now we're through .. I'm fed up, so get up
and get out
I was so afraid, now you're gone away
Sent you packing, look who's laughin' now
I'm so happy that I feel this way
I'm so happy that I threw you away

Put your problems down and pick up what's left of the
pain
Take a good look at yourself and see who's really to
blame
Needless to say .. you got issues
There's no f#kin' way .. that I'm gonna fix you

It's never the same .. ever since you went fallin' down,
down, down

Ever wonder what I been thinkin' about?
I been thinkin' bout throwin' you out

Chorus

I'm so happy about you .. I'm fed up, so get up and get
out
I'm so happy now we're through .. I'm fed up, so get up
and get out
I was so afraid, now you're gone away
Sent you packing, look who's laughin' now

I'm so happy that I feel this way
I'm so happy that I threw you away

Chorus

I'm so happy about you .. I'm fed up, so get up and get
out

I'm so happy now we're through .. I'm fed up, so get up
and get out

I was so afraid, now you're gone away

Sent you packing, look who's laughin' now

I'm so happy that I feel this way

I'm so happy that I threw you away
