I wanted so badly
Somebody other than me
Staring back at me
But you were gone, gone, gone

I wanted to see you walking backwards
To get the sensation of you coming home
I wanted to see you walking away from me
Without the sensation of you leaving me alone

Time and time again
Time and time again
Time and time again
I can't please myself

I wanted the ocean to cover over me
I wanna sink slowly without getting wet
Maybe someday I won't be so lonely
And I'll walk on water, every chance I get

Time and time again
Time and time again
Time and time again
I can't please myself

So when are you coming home, sweet angel?
You leaving me alone, all alone
Well if I'm drowning darling
You'll come down this way on your own

I wish I was travelin' on a freeway
Beneath this graveyard western sky
I'm gonna set fire to this city
And out in the desert, yeah, we're gonna ride

Time and time again
Time and time again
Time and time and time again
I can't please myself

I can't please myself and I
I can't please nobody else and

Time again
Time and time again
Time and time and time and time again
I can't please myself
No no no no
