They paved paradise, put up a parking lot  
With a pink motel, boutique, and a swinging hot spot  
Don't it always seem to go  
That you don't know what you've got till it's gone  
They paved paradise, put up a parking lot

They took all the trees, put 'em in a tree museum  
And they charged all the people  
A dollar and a half just to seem them  
Don't it always seem to go  
Said you don't know what you've got till it's gone  
They paved paradise, put up a parking lot

Say hey farmer, farmer put away the DDT now  
And the spots on my apples  
Leave me the birds and the bees, please  
Don't it always seem to go  
That you don't know what you've got till it's gone  
They paved paradise, put up a parking lot

Late last night I heard that screen door slam  
And the big yellow taxi took away my old man  
Don't it always seem to go  
Said you don't know what you've got till it's gone  
They paved paradise, put up a parking lot

Don't it always seem to go  
You don't know what you've got till it's gone  
They paved paradise, put up a parking lot  
They paved paradise, put up a parking lot  
They paved paradise, put up a parking lot
