All the rains came down on a cold new town  
as he carried away  
from your fathers hand that always seemed like a fist  
reaching out to make you pay

he came like a hero from the factory floor  
with the sun and moon as gifts  
but the only son you ever saw  
were the two he left you with

Oh lord  
Where did the feeling go  
oh lord  
I never felt so low

now the skirts hang so heavy around your head  
that you never knew you were young  
because you played chance with a lifetimes romance  
and the price was far too long

oh lord  
where did the feeling go  
oh lord  
I never felt so low

oh lord  
where did the feeling go  
oh lord  
I never felt so low

oh lord  
where did the feeling go  
oh lord  
I never felt so low

oh lord  
where did the feeling go  
oh lord  
I never felt so low
