Between a father and a son  
Between the city and the one  
Before the teacher and the test  
Before the journey and the rest

A shining eye will never cry  
The beating heart will never die  
A house on fire knows no shame  
I will be coming home again

Four hundred miles  
Without a word until you smile  
Four hundred miles  
On fields of fire

Between a woman and a boy  
Between a child and his toy

Between a woman and a boy  
Between a child and his toy  
Before the falling of the west  
Before the journey and the rest

Four hundred miles  
Without a word until you smile  
Four hundred miles  
Without a word until you smile  
Four hundred miles  
On fields of fire
