If you could feel

How I must feel

The winds of quiet change

If you could see

What I must see

Still hidden in the rain

But when the thunder rolls

It comes and covers up my soul

And you will take my hand

And be with me in wonderland

Chorus

I am an honest man

I need the love of you

I am a working man

I feel the winter too

If you could hear

What I must hear

Then nothing would replace

The fifty years of sweat and tears

That never left a trace

But when I look at you I see
You feel the same way too
And you will take my hand and be
With me in wonderland

Chorus

You still remember other days
When every head was high
I watched that pride be torn apart
Beneath a darker sky
With innocence within ourselves
We sing the same old song
And you will take my hand
And make believe it's wonderland
I need the love of you
I am a working man
I feel the winter too

Chorus

Wonderland (four times, fading out)
