One, two, three, four. Cold rain to splash water  
diamonds colored green and Flash the sun to paint  
green her hair. Cold rain to splash water diamonds  
colored green and Flash the sun to paint green her  
hair. Your silver streak flash Your silver streak flash  
Your silver streak flash Across the tiny door of my eye  
Across the tiny door of my eye. Warm wind to touch the  
trees colored blue and Flash the moon to paint blue my  
heart. Warm wind to touch the trees colored blue and  
Flash the moon to paint blue my heart. Your silver  
streak flash Your silver streak flash Your silver streak  
flash Across the tiny door of my eye Across the tiny  
door of my eye. Soft skin to spend the every day  
colored gold and Flash the sea to paint gold our love.  
Soft skin to spend the every day colored gold and  
Flash the sea to paint gold our love. Your silver streak

Across the tiny door of my eye Across the tiny door of
