Oh, when our struggle's over and we all are free,
When the new day's dawnin', think of me.
It's been a long time comin' but I won't be there,
When you see the sun risin' think of me.
Oh, think of me and carry on!
Oh, think of me and carry on!

And when the storm clouds gather and you've lost your
way
When you need a light to guide you, think of me.
And though you may grow weary from your work each
day
If you need a hand to help you, think of me.

Oh, think of me and carry on!
Oh, think of me and carry on!

Oh, when our struggle's over and we are all free,

When the new day's dawnin', think of me.
It's been a long time comin' but I won't be there,
When you see the sun risin', think of me.

Oh, think of me and carry on!
Oh, think of me and carry on!

And when the storm clouds gather and you've lost your
way
When you need a light to guide you, think of me.
And though you may grow weary from your work each
day,
If you need a hand to help you, think of me.

Oh, think of me and carry on!
Oh, think of me and carry on —
And carry on!
