Bush and Hussein together in bed  
Giving H E A D head  
Y'all motherfuckers heard what we said  
Billions made and millions dead

Work it out, set it up  
Work it out, set it up  
Work it out, set it up  
Work it out, set it up

Work it out, set it up  
Work it out, set it up  
Work it out, set it up  
Work it out, set it up

Bush and Hussein together in bed  
Giving H E A D head  
Y'all motherfuckers heard what we said  
Billions made and millions dead

Bush and Hussein together in bed  
Giving H E A D head  
Y'all motherfuckers heard what we said  
Billions made and millions dead

In a land not very far away from here  
George W. Bush was drinkin' beer  
His daddy was head of the CIA  
Now listen up close to what I say

The CIA worked for Standard Oil  
And other companies to whom they're loyal  
In a whole 'nother land by the name of Iran  
The people got wise and took a stand

To the oil companies, ay ain't shit funny?  
This is our oil, our land, our money  
CIA got mad and sent false info  
To Iraq to help start the Iran-Iraq wo'

Pronounced war if I have to be proper  
The CIA is the cops that's why I hate the coppers

Saddam Hussein was their man out there  
They told him to rule while keepin' people scared

Sayin' any opposition to him, he must crush it  
He gassed the Kurds, they gave him his budget  
Said you gotta kick ass to protect our cash  
Step out of line and feel our wrath

You know the time without lookin' at the little hand  
Time came for them to cut out the middle man  
Children maimed with no legs and shit  
'Cause the 'Bomb's over' you know the OutKast hit

And they really want you to hate him dead  
When just the other day they made him head  
War ain't about one land against the next  
It's po' people dyin' so the rich cash checks

Bush and Hussein together in bed  
Giving H E A D head  
Y'all motherfuckers heard what we said  
Billions made and millions dead

Bush and Hussein together in bed  
Giving H E A D head  
Y'all motherfuckers heard what we said  
Billions made and millions dead

Work it out, set it up  
Work it out, set it up  
Work it out, set it up  
Work it out, set it up

Work it out, set it up  
Work it out, set it up  
Work it out, set it up  
Work it out, set it up

Work it out, set it up  
Work it out, set it up  
Work it out, set it up  
Work it out, set it up

Work it out, set it up  
Work it out, set it up  
Work it out, set it up  
Work it out, set it up
