I can't get you out of my head
You gotta be my girl (You gotta be my girl)
I can't get you out of my sight
You know it's no surprise (You gotta be my girl)

You gotta be my girl (You gotta be my girl)
You gotta be my girl (You gotta be my girl)

I can't seem to feel satisfied
I'm bottled up inside (You gotta be my girl)
I can't seem to feel satisfied
I'm bottled up inside (You gotta be my girl)

You gotta be my girl (You gotta be my girl)
You gotta be my girl (You gotta be my girl)
