Hey, I burn better in the dark
Hey, is that me crying?
Hey, it's pure poison where you are
Hey, is that me dying?

Tell me a happy ending story
Is there a happy ending story?
Is there, is there?
Tell me a happy ending story
Oh tell me a story

Hey, for every ending tragedy
Hey, I'll rip your heart out
Hey, for every evil dumb lazy
Hey, tear the sun down

Tell me a happy ending story
Is there a happy ending story?
Is there, is there?
Tell me a happy ending story
Oh tell me the story

The grace is lost, The grace is won
The filth it is has overcome
The lonely ain't for you
Just ressurect, uh-huh
The ghost of him haunts the screen
Coming from the depths of me
Watch him die his lonely little death uh-huh

Hey, the quicksands coming better
Hey, is that me crying?
Hey, the stars crash down don't let 'em in
Hey, is that me dying?

Tell me a happy ending story
Is there a happy ending story?
Is there, is there?
Tell me a happy ending story
Oh tell me the story

Oh watch me wilt and watch you bloom
Imprisoned in the depths of you
As long as the defects are believed uh-huh
The rage is lost the war is won
The battle there has just begun
He haunts me to the marrow of my greif uh-huh
