Gimme your tired
Gimme your poor, yeah
You need to be free, yeah
Your hungry huddled masses
Screaming me me me
Gimme danger
Gimme sorrow
Gimme heat
Gimme grime
Gimme, gimme everything
Coming, gimme from behind

Woo hoo
Throw me up against the wall
Woo hoo
No baby, do that again
Woo hoo
No baby, I'll do you cause
You, you, you, you do anything

Gimme white boys skinny
Gimme big black men
Gimme ice cream on my birthday
Gimme that again

Gimme love, love, love
Oh, give them me, me, me
Cause I'll do you
Cause you'll do anything

Gimme dick
Gimme speed
Gimme white hot heat
One day my prince will come but
Man, it's just too late

Gimme one match
So I can set myself on fire
Oh, let 'em eat cake
Until they are starved

Gimme white lies

That pulls out of me so hard
Twitching like the miracles
And blast them all to shards

Woo hoo
Throw me up against the wall
Woo hoo

No baby, do that again
Woo hoo
No baby, I'll do you cause
You, you, you, you do anything

Gimme white boys skinny
Gimme big black men
Gimme ice cream on my birthday
Gimme that again

Gimme love, love, love
Oh, give them me, me, me
Cause I'll do you
Cause you'll do anything

Gimme some ??
??
Give it to me, come on, baby
Gimme a break

He's lost the show
I've got the power to heal
Oh, god or the Devil
Just gimme a deal

Gimme love, love, love
Oh, give them me, me, me
Cause I'll do you
Cause you'll do anything

I'm ready to die for you
No, I'm too young to be so old

Don't scratch the car when you go
(Woo hoo)
(Throw me up against the wall)
Don't slam the door when you go
(Woo hoo)
(No baby, do that again)
I'll burn the sheets when you go
(Woo hoo)
(No baby, I'll do you cause)
Just fuckin' go when you go when you go

(You, you, you, you do anything)
Just fuckin' go
