I am the girl you know  
Can't look you in the eye  
I am the girl you know so sick  
I cannot try  
I am the one you want  
Can't look you in the eye  
I am the girl you know  
I lie and lie and lie  
I'm miss world  
Somebody kill me  
Kill me pills  
No one cares my friends  
My friend  
I'm miss worlds  
Watch me break  
And watch me burn  
No one is listening  
My friends  
Now I've made my bed I'll lie in it  
I've made my bed I'll die in it

I've made my bed I'll lie in it  
I've made my bed I'll die in it  
Kill girls watch  
When I eat ether  
Suck me under  
Maybe forever  
My friends  
I made my bed I'll lie in it  
I made my bed I'll die in it  
I made my bed I'll die in it  
I made my bed I'll cry in it  
I made my bed I'll die in it  
I made my bed I'll die in it  
I made my bed I'll cry in it  
My friends  
I am the girl you know  
Can't look you in the eye
