You're always hanging around my place
Not much to do, not much to say
I don't usually mind, most of the time
No I don't mind

Then you start with your blah blah this
Oh my God, I can't believe you said that
That's when I just kick back and laugh
I got to laugh yeah yeah yeah

Funny way
You got a funny way
Funny way
About you

Then I pick up the telephone
Right then I knew I should of said I wasn't home
Cause are you talking to me

Or just watching your TV yeah yeah yeah

Funny way
You've got a funny way
Funny way about you
You've got a funny way
With all those funny things you do
Yeah yeah yeah

Tag along on a Saturday night
Right away the vibes shot to wrong from right
By two a.m I just can't wait to get you...
Out of my sight!

Funny way
You've got a funny way
Funny way about you
With all those funny things you do
Yeah yeah yeah
