Well I've had enough
Of this nine to five
Barely getting by
Trying to survive

But I've got my kids
My rent
My credit cards
My car payment
Who the hell can I blame for this?
Who the hell is going to pay for this?

Need solutions to my problems
Time to take action
Yeah, yeah

So I ask my boss for a raise
And he said NO WAY
What have you done
To deserve one?

But I got my kids
My rent
My credit cards
My car payment
I'm not the one to blame for this

I'm not going to pay for this

Need solutions to my problems
It's time to take action

I shot my boss
Look what I've done x4

Here they come
Yeah, they're coming for you x2

Here they come
Yeah, they're coming for you kid
Look what you did
Look what you did

But you got a couple alternatives
Go away quietly
Or set yourself free
Set yourself free
Top of the world ma

I shot my boss
Look what I've done x4
