"Fallen Angel"

Sometimes I believe in God
Sometimes I believe in love
Sometimes I believe in fallen angels
Otherwise, how could I believe in me

Sometimes I believe in the Devil
Sometimes I believe in vain
Sometimes I believe in fallen angels
Otherwise, how could I believe in me

If you fly without wings
How far before you fall
If you live without flying
How long before it all goes away
Sometimes I believe in you
Sometimes I believe in me
Sometimes I believe we're fallen angels
Otherwise how could we become to be

If you fly without wings
How far before you fall
If you live without flying
How long before it all
If you fly without wings
If you fly without wings
If you fly without wings
If you fly without wings
Fallen Angel
