Monday morning Mohammed is shaking off a hard weekend

Monday morning Mohammed is shaking off a hard weekend

The taste of death is on his breath but there's no water in the well

A thousand and one bars are waiting open sesame and go

Abu Dhabi! Abu Dhabi!

In the afternoon Mohammed works in a camel rodeo

Like the wind he rides his camel winning him ten sacks of dates

A thousand and one bars are waiting open sesame and go

Join the party caravan, caravan, caravan!

In the evening Mohammed is getting ready for a ball

All the camel riders gather at desert casino
