Friday finally came around,
This girl's ready to paint the town,
Tonight nothing's gonna slow me down, no no.
I did my time working all week,
Tonight's all mine,
Tomorrow I'll sleep,
I wanna hear a band with a country sound, yee hah.
I've been cooped up all week long,
I've been working my fingers to the bone.
Well it's a girls night out,

Until the boys go home,
It's my night to rock, na na na
No watchin' that old clock,
There ain't no doubt about,
It's a girls night out.
Woah, Well it's a girls night out,
And honey there ain't no doubt,
I'm gonna dance, yeah dance
Until the boys go home,
It's my night to rock, (night night to rock)
No watchin' that old clock,

There ain't no doubt about,
It's a girls night out.
I wanna go down town,
Alright,
Let's go girls
It's a girls night out,
A girls night out,
It's a girls night out, (I just wanna go d
