"If I Needed You"

In the night forlorn the morning is born,
And the morning shines with the glow of love,
You will miss sunrise if you close your eyes,
And that would break my heart in two.
If I needed you
Would you come to me?
Would you come to me and ease my pain?
If you needed me
I would come to you,
I would swim the sea for to ease your pain.
Baby's with me now since I showed her how,

To lay her lily hand in mine,
Look and you'll agree she's a sight to see,
A treasure for the poor to find.
If I needed you
Would you come to me?
Would you come to me and ease my pain?
If you needed me
I would come to you,
I would swim the sea for to ease your pain.
I'll ease your pain.
