The heart is a gambler,
Unafraid of lady luck, (unafraid, unafraid of lady luck)
The heart is a gambler, (heart is a gambler)
Always ready to take a chance on love, (ready to take a
chance on love)
Always ready to take a chance on love, (take a chance
on love)
Always ready to take a chance on love.
The heart is a gambler.
The heart is a gambler.
The heart is a gambler.
The heart is a gambler.
