(T Romeo)

You take a bus marked "Lakewood Drive"
And you keep on ridin' 'til you're out of the city.
Where the air is fine with the sweet smell of pine
And the countryside's pretty
And you'll see daffodils, peepin' over the hill
Or a honey-lovin' mama bear
Just take a left at the bridge, go down to Quakertown
Ridge
And in a minute you're there
Di din din din din di din din din din
Di din din din din di din din din din
Indian Lake is a scene you should make with your little
one
Keep it in mind if you're lookin' to find
A place in the summer sun
You can swim in the cove, have a snack in the grove
or you can rent a canoe
At Indian Lake you'll be able to make the way the
Indians do
Daoop bop bop daoop bop bop daoop bop bop daoop
bop bop daoop bop bop
Daoop bop bop daoop
Bop bop daoop bop bop
Da din din di di di da din din di di di da din din di di di
da din din
Di di di
Indian Lake is a scene you should make with your little

Woo woo woo woo woo woo woo woo woo woo woo
Indian Lake, etc. etc.
