I saw her sitting in the rain  
Raindrops falling on her  
She didn't seem to care  
She sat there and smiled at me

And I knew (I knew, I knew, I knew, I knew)  
She could make me happy (happy, happy)  
Flowers in her hair, flowers everywhere

I love the flower girl  
Oh, I don't know just why  
She simply caught my eye  
I love the flower girl she seemed so sweet and kind.  
She crept into my mind.

I knew I had to say hello (hello, hello)  
She smiled up at me  
She took my hand and we walked through the park  
alone

But I knew (I knew, I knew, I knew, I knew)  
She had made me happy (happy, happy)  
Flowers in her hair, flowers everywhere

I love the flower girl  
Oh, I don't know just why  
She simply caught my eye  
I love the flower girl she seemed so sweet and kind  
She crept into my mind

Suddenly the sun broke through (see the sun).  
I turned around she was gone (where did she go).  
And all I had left was one little flower from her hair.

But I knew (I knew, I knew, I knew, I knew)  
She had made me happy (happy, happy).  
Flowers in her hair, flowers everywhere

I love the flower girl  
Was she reality or just a dream to me?  
I love the flower girl

Our love shall lead the way  
To find a sunny day  
I love the flower girl  
Was she reality or just a dream to me?
