You never knew how much you hurt me
Baby, you never cared how much I cried
Baby, I gave my heart to you
You just walked away
Now you've come back
And now you wanna stay
But you're
Chorus:
Never gonna make me cry again, again
And you're never gonna break my heart again
Like you did then
No, you're never gonna make me cry
No, you're never gonna break my heart again
What made you think that I'd forgive you
(What made you)
What made you think that I'd forget
Thought you could walk back in my world
But I've closed the door
Can't let you in, baby, anymore
And you're
Chorus
You've had your last one more chance
There's no more for you, baby
So don't knock on my door
You're not welcome no more
And you're
Chorus x2
I've closed the door
You're not welcome anymore
I've closed the door
You're not welcome anymore
