so ya finally got around to that conversation, let me
guess
you been thinking bout cohabitation
well baby I can give you first hand information
living with me
ain't no vacation
living with me
ain't no vacation baby
so ya brought yer toothbrush
and a change of clothes
you wanna live with me
and it really shows
well baby take it slow
I should know
that living with me
really blows
yeah living with me
really blows baby
so ya wanna talk
about you and me, let me guess
you wanna plot out our
destiny
well baby, please believe me when I say
living with me
ain't so easy
yeah living with me
ain't so easy baby
so ya wanna discuss
the two of us
you think if we shared a pad
that we could save some bucks
well baby don't cha be starstruck
cuz ive had the so called luck
of living with me
and it really sucks
yeah living with me
really sucks baby
so ya finally got around to that conversation, let me
guess
you been thinking bout cohabitation
well baby I can give you first hand information

living with me
ain't no vacation
living with me

ain't no vacation baby....baby.....baby.....baby
